### June 12, 2010 Recital: New York, New York

Our June 2010 recital dates are set and costumes have been ordered. This performance is for all classes age 3-4 yrs and up. **Dress rehearsal is scheduled for Friday, June 11 and our recital is Saturday, June 12 both at Westlake High School.** Dress rehearsal is required to participate in the recital so please mark your calendars. New students are eligible to participate & to accommodate them I will be placing a 2nd order for costumes on Feb 1.

All costume fees must be paid before then. Fees are \$55 child and \$65 adult. After Feb 1 a \$10 additional fee will be assessed to cover shipping for individual costumes.

In addition there will be a \$50/individual or \$85/family recital fee charged on May 1st. This fee covers rental and staff of the facility, back drop and lighting fees in addition to Synergy teacher costs associated with the dress rehearsal and recital; admission to the show is free. This fee is higher than last year because Westlake High School is one of the nicest facilities and charges much more for their professional theatre. Additionally In previous years students paid a full month June tuition and one week helped to offset recital costs, this year we are ending on June 12th and only 1/2 month is collected so there is not an extra week to apply to teacher salaries.

I am very excited to be at Westlake High School this year and look forward to offering a free, family oriented show for all of our students, family and friends!

### Combo 2-3 yr classes

Our Combo 2-3 yr students will perform at a local nursing home late May or early June. More information will be available later in the semester. There is no performance fee for this show and a small costume fee will be collected (apx \$15-20) to purchase a matching tutu, skirt or accessory for each class to wear. This is a wonderful and fun way for our youngest performers to show off for their close family and nursing home residents.
